INTRODUCTION

ARTDO INTERNATIONAL was founded in 1974 as a global reach international umbrella body comprising national training organizations, training and education institution, HRD practitioners and Multinational companies from over 30 countries. Based in Asia with its Secretariat in Manila, Philippines, ARTDO organizes a major international Management and HRD Conference annually. From Delhi to Melbourne, Cairo to Yogyakarta, ARTDO International Conference will be going **ONLINE** for the first time this 2020.

This December, ARTDO International responds by curating powerful panel discussions, relevant workshops, immersive experiences, sharing true resilience stories led by more than **40** thought leaders, authors and practitioners from more than **20** countries. Best practices, tools and techniques to navigate this shared new reality, with opportunities for powerful networking .

This online conference will be an assembly of global communities; transformational stories of rejuvenating, reinventing and resilience which will be highlighted and showcased at the conference. From the depths of turbulence and crisis, we are extending this invitation. let us come together as a collective global community, journeying together as we **relearn, retool and upskill to Rejuvenate, Reinvent, Resilience for Success in the New Normal.**
