EQ for Innovative Thinking

Unleash your emotional intelligence (EQ) to release your creativity and achieve personal fulfillment in the workplace

4 - 5 April

The Landmark
Bangkok Hotel

The success of corporate leaders, outstanding entrepreneurs and outstanding individuals are not defined by their IQ's or their job skills, but their "Emotional Intelligence": a set of competencies that distinguishes how people manage their feelings, interact and communicate.

What You Will Learn?

- Obtain knowledge of key concepts of EQ and its applications in the workplace
- Develop self awareness for better interpersonal relationships
- Identify themselves with the corporate mission
- Value the importance of commitment to the corporate mission
- Learn to identify and develop emotional competencies such as resilience, creativity, intentionality and interpersonal connections
- Gain insight into emotional blind spots which cause interpersonal conflicts and lack of creativity
- Use their EQ to become more creative

Who Should Attend?

- CEOs, Directors, Senior Executives, Leaders, Managers
- Individuals who need to lead and develop others in both private and public sectors

Trainer: Professor Dr. Leonard Yong

He is an Industrial psychologist who has gained international recognition for his research and consultancy work on creativity and emotional intelligence. He is also the inventor of LEONARD Personality Inventory (LPI) and the LPI Software, a psychometric assessment.
