INFLUENCING SKILLS

Build up leadership effectiveness with the skills to influence others positively. This workshop equips participants with the tools to influence the people they regularly engage. With strong influencing, leaders enable a robust environment for win-win situations.

The learning outcome of this course would be:

- Able to **EXERT** some influence over your subordinates, peers and superiors
- Able to **BARGAIN** win-win situations
- Able to **MANAGE** conflicts and not shy away from them
- Able to **UNDERSTAND** the diverse cultures in a global environment

Date
**27th AUGUST
(Friday)**

Time
9.00am – 5.00pm

Speaker
DANNY CHEE
