

MANAGEMENT TRAINEE

Fast Track, High Flyer Internship Program

■ Global Learning, Coaching & Business Development ■

Based in Kuala Lumpur/Penang/Bangkok/Manila/Saigon

Very special opportunities for very ambitious, young, and talented people whose passion and strength lies in both the areas of learning and development, coaching and consulting plus business development and key account management that involve the successful management of coaching, talent, leadership development and consulting solutions for many leading global clients.

ITD World is a leading multinational provider of management training and HR development programs, professional certification, coaching, mentoring, mega events, and conferences. We seek high performers for position stated above.

JOB SCOPE AND CAREER PATH

Each talent would be sponsored for ITD World's Talent Acceleration Program (TAP), and be trained, coached, and mentored by the best to be the best. Attractive salary, reward, incentives, profit sharing and personal development package will be offered to the right person. This job can ultimately lead the right person to the position of Director

Responsible for managing and executing the Business Development, Sales & Marketing (Digital and Offline), PR, Training, Coaching, Consulting and Key Account strategies at ITD World to ensure the attainment of bottom-line goals. Create concepts and content that will transform leaders and change the world for the better.

KEY CRITERIA

- >> A strongly driven, competent, and high potential talent that fits the above job scope including excellent sales and marketing, learning and human resource development, superior organizing, communication and influencing skills.
- >> A high achiever and highly motivated fresh graduate or a high performing young talent with 1 to 3 years of relevant experience
- >> Bachelor's degree or equivalent or a higher qualification in related field.
- >> Excellent leadership skills and command of English language.

- >> A strong passion in the learning industry & working across different cultures internationally.
- >> Uncompromising integrity and humility with high levels of commitment to the job and goal attainment.
- >> A team player with high Emotional Excellence, self-motivated, positive, creative and innovative.
- >> A person who is motivated to build strong high-level corporate, media and government network with influential contacts would have the added advantage.

Remuneration and benefits will be based on individual capability and potential.
