DATO'
DR THOMAS CHEE

Chairman Emeritus
ARTDO International

It is with immense pleasure and profound anticipation that I extend my warmest welcome to each and every one of you to the 51st Global Conference of ARTDO International held in Danang, Vietnam from 18th to 20th, August 2024.

Our theme for this year's conference, "Transforming Lives by Unleashing the Power of Talent and Skill," resonates deeply with the core values and objectives of ARTDO International. In today's rapidly evolving world, where change is the only constant, harnessing the full potential of human talent and skill has never been more crucial. It is through this transformational journey that we can pave the way for a brighter, more inclusive future for all.

Over the course of this conference, we will delve into thought-provoking discussions, share best practices, and explore innovative strategies aimed at fostering personal and professional development.

I wish you all a memorable and enriching experience at the 51st ARTDO International Conference. May our time together be filled with insightful discussions, fruitful collaborations, and moments of inspiration that will propel us toward our shared vision of transforming lives through the power of talent and skill.

Let us embark on this transformative journey together.

Warm regards,

Dato' Dr Thomas Chee

Chairman Emeritus ARTDO International

WILSON CHEAH

President
ARTDO International

As the President of ARTDO International, it is a privilege to host this prestigious gathering of creative minds and visionaries from around the globe. This Conference is set against the breathtaking backdrop of Danang, Central Vietnam, where the Marble Mountains provides an inspiring setting for our gathering, and which showcases Vietnam's rich tapestry of culture, history, and natural beauty.

Our conference explores the latest trends and strategies shaping the future of talent acquisition, retention, and utilization on a global scale by delving into the crucial topics of leadership, coaching, and women's empowerment. In addition, we examine the vital link between sustainability, ESG principles, and work innovation, recognizing that the future of business hinges on our ability to balance profit with purpose.

Our preparations have been meticulously tailored to ensure a truly immersive and enriching experience of Vietnamese culture. From traditional dance performances, culinary delights, to cultural sites visits like the 17th century Han Cho Market, delegates can anticipate a journey of discovery and enlightenment that transcends borders and fosters cross-cultural understanding. The networking opportunities are boundless which is made possible with the presence of ARTDO global members and will certainly open many doors of co-operation for all of us.

Warmest regards,

Wilson Cheah
